DETAIL ACTION

Priority

Acknowledge is made of applicants' claim for foreign priority base on an application 2002-57191 filed in Republic of Korea on 9/19/2002.

It is noted that Applicants have filled a certified copy of said application as required by U.S.C 119, which papers have been placed of record in the file.

Oath/Declaration

The oath/declaration filed on 8/21/2003 is acceptable.

Specification

The specification has been checked to the extent necessary to determine the presence of all possible minor errors. However, the applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

This application is in condition for allowance except for the following formal matters:

The drawings are objected , Figures 1B and 1C are not designated by a legend such as "Prior Art". The Legend is necessary in order to clarify what applicant's invention is (see MPEP § 608.02g).

Reasons for Indication of Allowable Subject Matter

Claims 1- 12 would be allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Method of fabricating a FLASH memory device having the step of etching the conductive pattern using the oxide pattern as an etch mask for forming floating gate patterns disposed on each of the first active regions at regular intervals and other steps as claimed in independent claim 1.

If Applicants are aware of better art than that which has been cited, they are required to call such to attention of the examiner.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

When responding to the office action, Applicants' are advice to provide the examiner with the line numbers and page numbers in the application and/or references cited to assist the examiner to locate the appropriate paragraphs.
